ASSISTANCE AVAILABLE FOR THOSE AFFECTED BY THE FLOOD

There are multiple ways for those affected by the flooding event to request assistance. Those with immediate needs such as help with cleaning out their basements should call 2-1-1 to request this assistance.

Those needing clothing, hygiene products and other items are encouraged to contact the Salvation Army.

Those needing assistance with appliances (furnaces, water heaters, washers/dryers, etc.), rent assistance, vehicles or other larger items will need to complete an application requesting assistance. The application can be picked up at found at www.fdl.wi.gov, www.fdlco.wi.gov, and www.fdlunitedway.org. Completed applications can be sent to the Fond du Lac United Way, 74 South Main Street, Fond du Lac, WI 54935. They can also be scanned and emailed to disasterrelief@fdlco.wi.gov.

At this time, it is not believed that we are going to receive any assistance from FEMA, but as a community, we are coming together to give what we can and help those we are able to.

Those looking to place monetary donations can do so through the Fond du Lac United Way or the Fond du Lac Area Foundation. If writing a check, please include FDL Flood in the memo line.
